Cancelation of March 17, 2020 Regular Board Meeting

In accordance with CDC recommendations to help curb the possible spread of the COVID-19 virus, the March 17, 2020 Regular Board Meeting of the Water Wheel Fire & Medical District was canceled. The safety of our emergency responders and the public are the highest priority of the Board and administration of the District, and we felt the prudent and safest course of action was to cancel this public meeting.

Future Board Meetings will be evaluated on a case by case basis as the response to this Pandemic moves forward. There remains the possibility that future meetings may also need to be canceled.
